Please note that it is the Homeowner's responsibility to comply with the architectural covenants in the "Declaration of Conditions, Restrictions, Covenants and Easements for Lone Oak Park." Furthermore, approval by the Lone Oak Park HOA Architectural Review Committee is required for exterior home and property improvements, including exterior painting.

Our HOA Policy is to approve "neutral" colors similar to the palette of colors pre-established in the Lone Oak Park HOA neighborhood. Doing so maintains the distinctive refined character, appearance, and attractiveness of our neighborhood.

Paint samples must be attached to this submittal for verification of color. (Samples must be a minimum of 1" x 2"). The Committee might also require that a sample of the paint colors be painted on the house prior to final approval.

DO NOT START YOUR WORK PRIOR TO RECEIVING FULL APPROVAL OF YOUR SUBMITTED EXTERIOR PAINT REQUEST!

Please allow the Architectural Review Committee two weeks to review your proposal. You will receive a written response to your submittal.

This submittal is good for one year from date of approval.

I understand and will comply with the above conditions.
